DAILY THOUGHT

This is eternity now; you are sunk as deep in it, wrapped as close in it as you ever will be. The future is an illusion; it never arrives. Always it is today—and after death and a thousand years it is today. You have great deeds to perform and you must do them now.—Charles Ferguson.

WELL AND IN GOOD HEALTH

Since Taking Cardui. After Seven Years of Suffering, Says South Carolina Lady.

Columbia, S. C.—Mrs. J. C. Helmann, of 331 Washington St., of this city, says: "I have received so much benefit from Cardui, I feel like speaking a good word for it to every lady I come in contact with, that I think needs it, hoping to help some one to get well, as I did. I had been sick in bed for a long time with the change of life. The doctor tended me all along, and finally one morning when he came he said he believed I would have to go to the hospital yet. I said No. I then read all of the testimonials in the Ladies' Birthday Almanac and then I phoned for a bottle of Cardui and commenced taking it. I began to improve from then on. I took five bottles continuously, then off and on for awhile, and I was well... and have had good health ever since. I am glad to say. I have recommended it to a lot of my friends. I was troubled for seven or eight years before I took Cardui. I think it is the best medicine on earth for female troubles... If this testimonial will help some one else you are at liberty to use it if you like."

Begin taking Cardui today. It may be the very medicine you need. Your druggist sells it. Get a bottle from him today.

FINDLY TELLS OF EFFICIENT CHURCH WORK

PASTOR FIRST CHRISTIAN CHURCH INAUGURATES BRISK PROGRAM

The stormy Wednesday night interfered with the efficiency campaign at the First Christian church which has already aroused widespread interest.

In spite of the storm a few had the temerity to come to the church. Rev. Findly reports that many members telephoned last night and expressed a desire to be present and disappointment at their inability to come on account of the heavy rain. The members of the church are square behind their pastor and the efforts will be redoubled to enlist men and women in the church tonight.

The subject for consideration will be: "The Meaning of the Lord's Supper." Tomorrow night there will be an interesting discussion of "The Social Work of the Church." All church members and non-church members are being welcomed at these services.

Call and see the line of fancy china at the National Coffee and Tea house.

Three o'clock is the hour of meeting and at the University.

A. Goodell had a paper on "The King's Highway." Mrs. W. E. Howard sang a solo and Lucile Latta read two selections by James Whitcomb Riley. The hostess demonstrated hot biscuits made with Aunt Jemima baking powder, and served them with jelly and coffee. A good crowd was in attendance.

Pass the Marigold

and let your family prove its worth. With it, serve hot johnny cake or a batch of beaten biscuits, and you'll see those good things disappear, quick step. Marigold tops off these double good foods. It certainly has smooth, fine, creamy flavor and no wonder—it is quality at its best. Best of all, it's a healthful, nourishing food.

A New, Harmless Way To Banish Hairy Growth

(Beauty Topics.) By following this suggestion any woman can, in the privacy of her own home, remove every trace of hair or fuzz from her face. With powdered delatone and water mix enough paste to cover the not wanted hairs; apply and in 2 or 3 minutes rub off and wash the skin. This method is unfailing, harmless and quick in results, but care should be employed to get genuine delatone.

DANDRUFFY HEADS BECOME HAIRLESS

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.
